PRESS RELEASE

MINISTRY OF CITIZEN'S POWER FOR HEALTH

Coronavirus Situation as of 5th October 2021,

10:00 a.m. Weekly Report

During the current week, from 28th September to 5 October, 2021 we have attended and provided Responsible and Careful Care to 686 Nicaraguans confirmed to be COVID-19 positive.

Likewise, 497 persons who were under Responsible and Careful Care have complied with the established period.

From the start of the Pandemic until today, we have attended and provided Responsible and Careful Care to 11,739 persons. We continue working to provide care to the Nicaraguan families.

CONSEJO DE COMUNICACIÓN Y CIUDADANÍA

CRISTIANA, SOCIALISTA, SOLIDARIA!

People who have been receiving Responsible and Careful Care for COVID-19, have frequently had pre-existing conditions such as: arterial hypertension, diabetes mellitus, obesity, heart diseases, immunodeficiency syndrome, chronic kidney failure, a history of cerebrovascular disease, pulmonary tuberculosis and chronic pulmonary diseases.

In the current week, there was 1 death attributable to COVID-19 and other deaths which occurred in people who have been under responsible care, due to pulmonary thromboembolism, diabetes mellitus, acute myocardial infarction, hypertensive crises and bacterial pneumonia.

To date, we have attained the recovery of 10,848 Nicaraguans.

We continue working on prevention and caring for our people, in God's Name!
